1
Carefully cut out the front piece with scissors.

2
Fold the shape on all the stitch lines to create creases, then flatten out again.

3
Using a glue stick, apply glue on these dotted areas.

4
Pick the piece up and turn it over to its blank side. You should be able to see the crease indentions from step 2.

5
Fold over the center panel along your pre-made creases.

6
Fold over the side flaps and affix to glued areas, being mindful not to crush the boxy shape of the front piece.

PRO TIP!
You can use the edge of a ruler to make folding easier!

BACK PIECE

Carefully cut out the accent pieces with scissors. Glue the accent pieces to the back piece where indicated using the words to match things up.

PRO TIP!

You can slide the back piece over your hand like a mitten to make gluing easier!

Next add glue to the interior sides of the front and back pieces and "sandwich" them together.

The final step is to add glue to the collar piece and glue in place so it wraps around the front of the of the paper craft to form your completed Paper Plushies masterpiece!

PRO TIP!

Cut this page into easy-to-handle chunks before doing your fine-tune trimming of each accent piece.
