THIS IS THE WAY

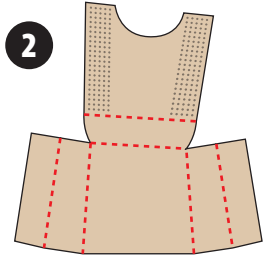

A lone Mandalorian bounty hunter from the outer reaches of the galaxy has landed in your sector for some crafty fun! This gunfighter might be as mysterious as a Tusken Raider — but if you prove yourself worthy, perhaps you can unlock the secret of the man behind the mask.

1
Carefully cut out the front piece with scissors.

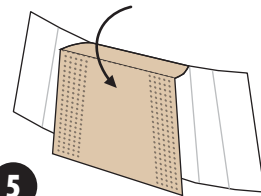

2
Fold the shape on all the dashed lines to create creases, then flatten out again.

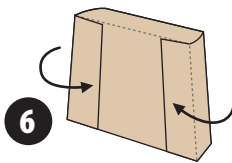

3
Using a glue stick, apply glue on these dotted areas.

4
Pick the piece up and turn it over to its blank side. You should be able to see the crease indentions from step 2.

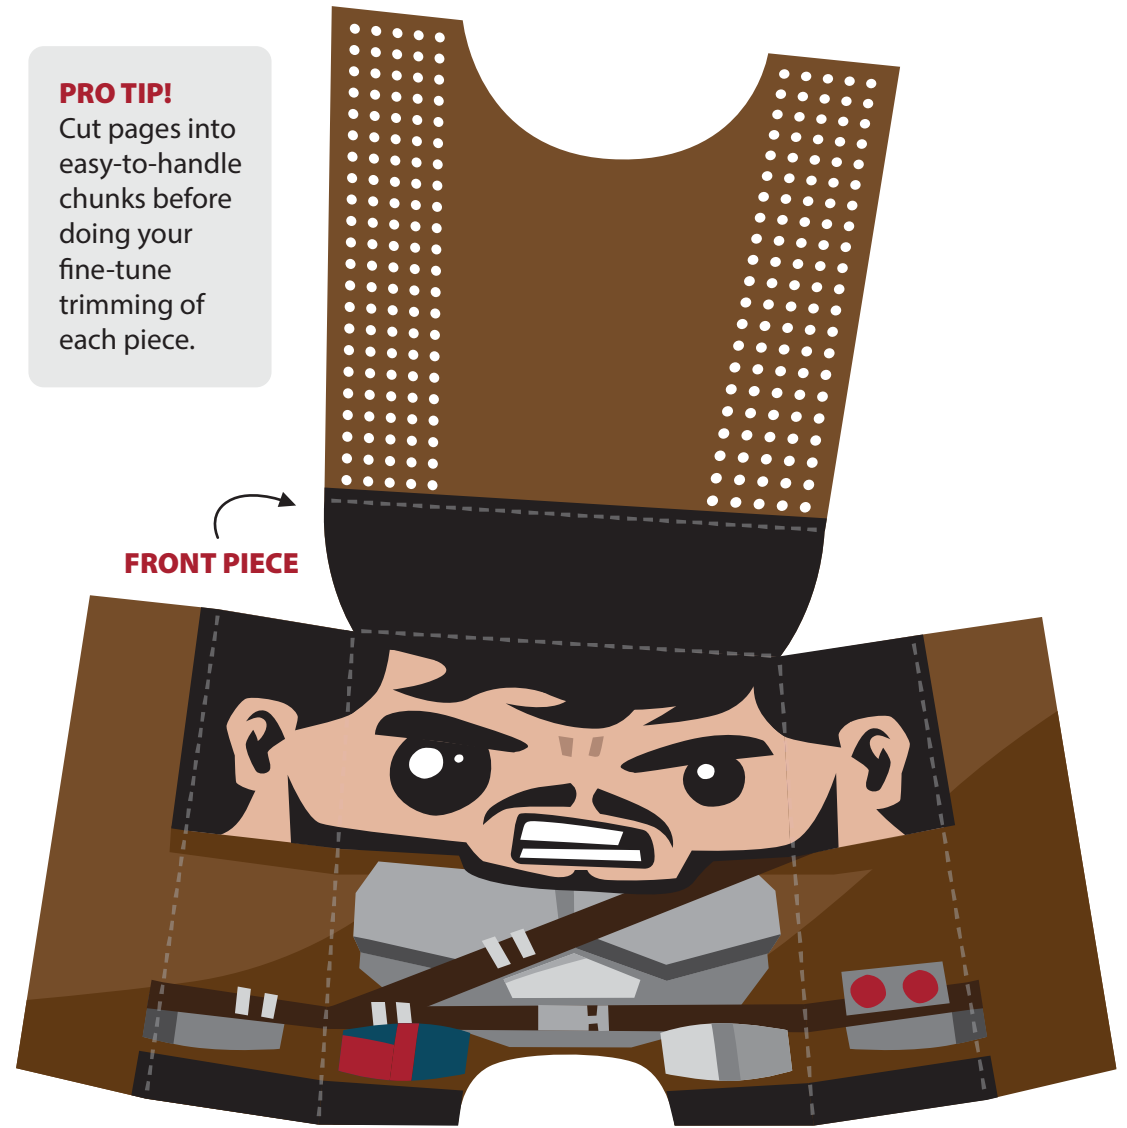

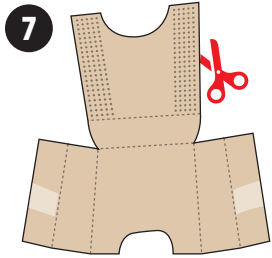

5
Fold over the center panel along your pre-made creases.

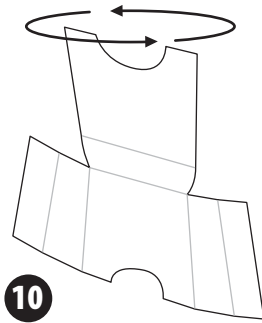

6
Fold over the side flaps and affix to glued areas, being mindful not to crush the boxy shape of the front piece.

PRO TIP!
Cut pages into easy-to-handle chunks before doing your fine-tune trimming of each piece.

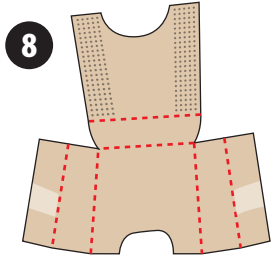

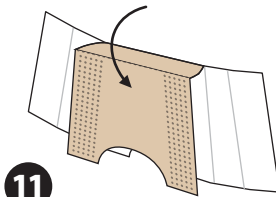

7
Carefully cut out the back piece with scissors.

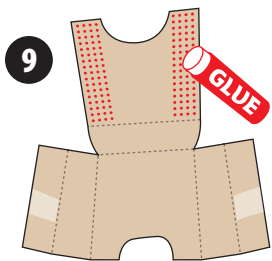

10
Pick the piece up and turn it over to its blank side. You should be able to see the crease indentions from step 8.

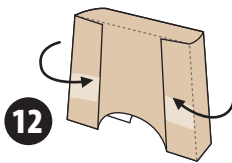

8
Fold the shape on all the dashed lines to create creases, then flatten out again.

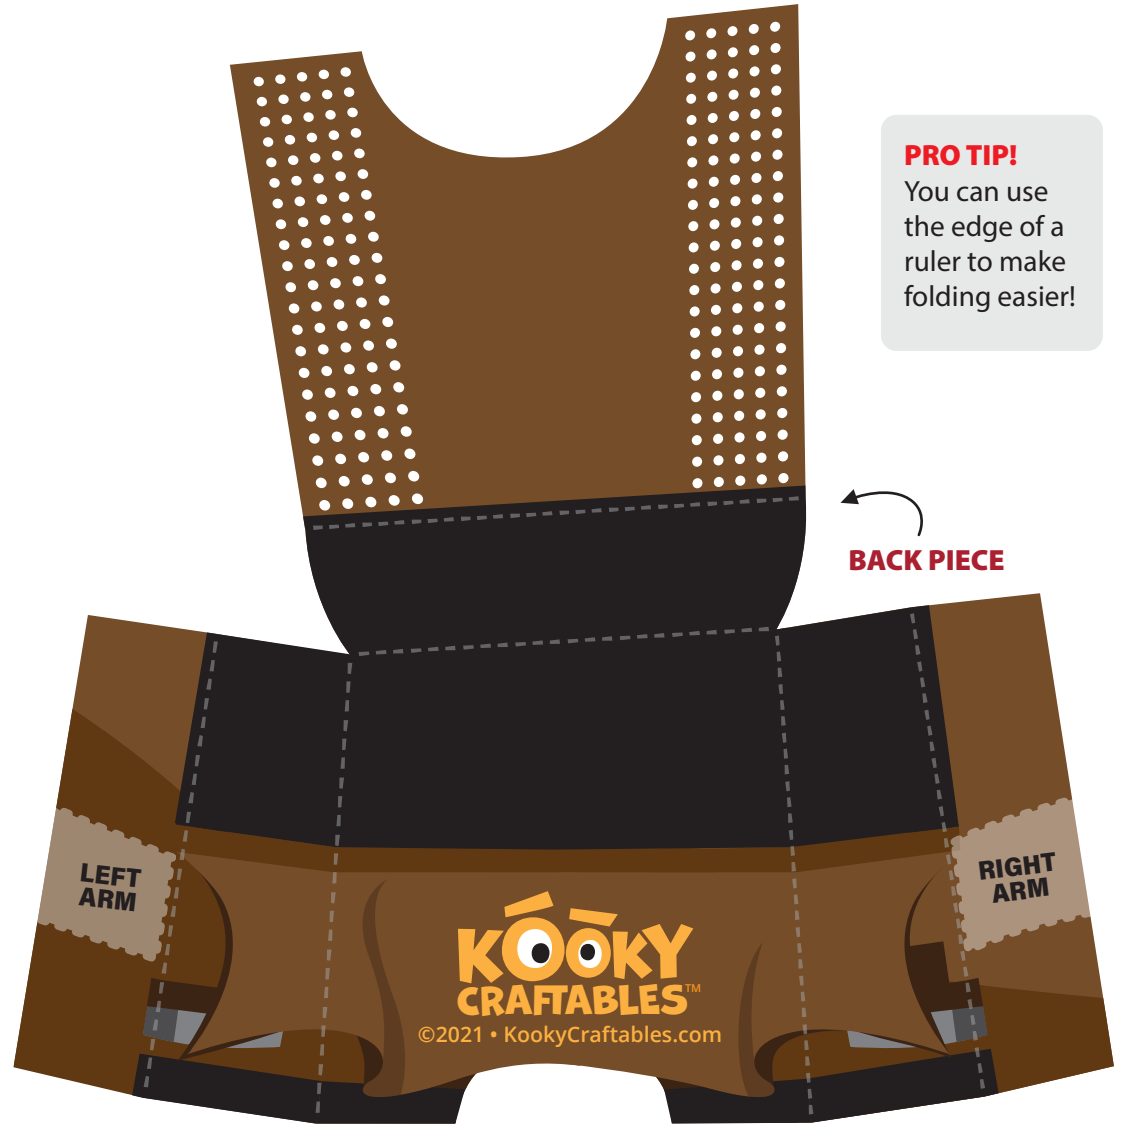

11
Fold over the center panel along your pre-made creases.

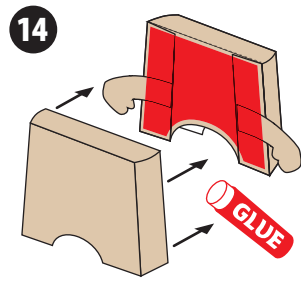

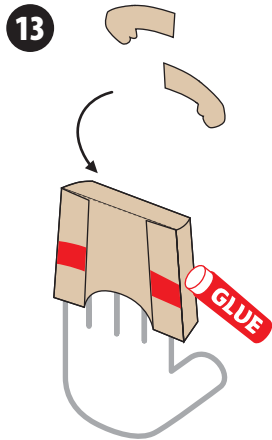

9
Using a glue stick, apply glue on these dotted areas.

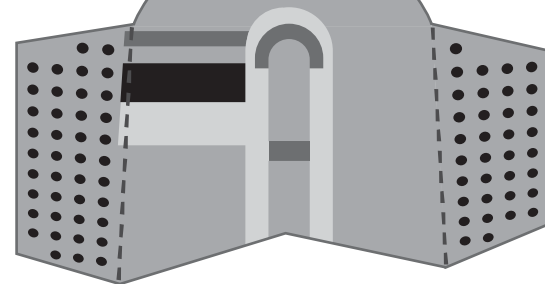

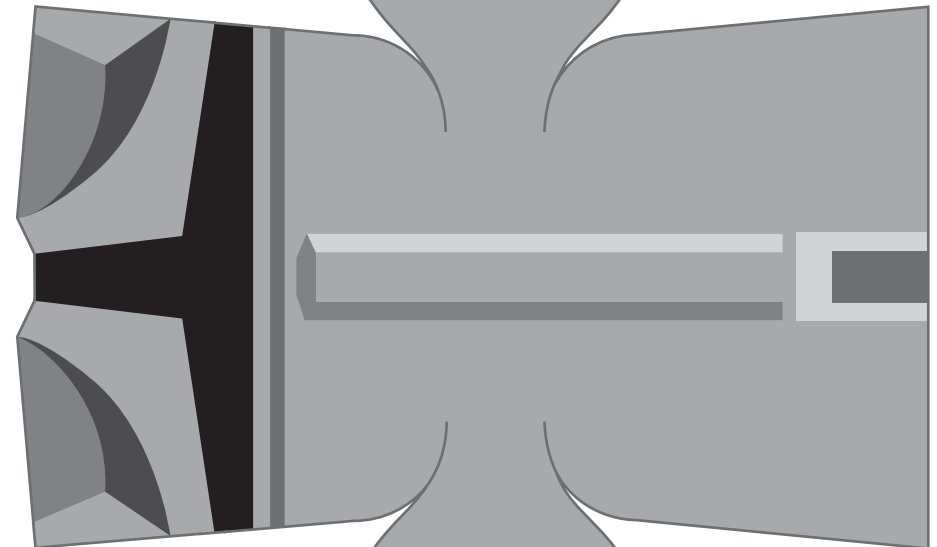

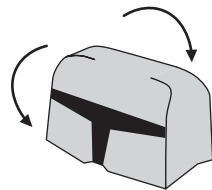

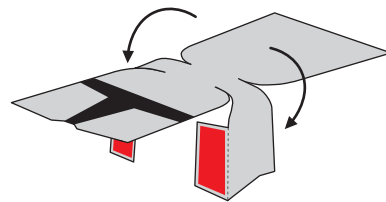

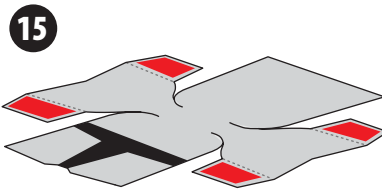

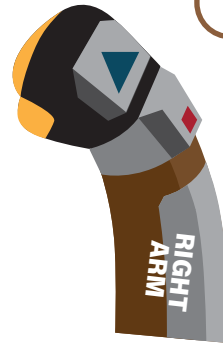

12
Fold over the side flaps and affix to glued areas, being mindful not to crush the boxy shape of the front piece.

PRO TIP!
You can use the edge of a ruler to make folding easier!

Add glue to the interior sides of the front and back pieces and "sandwich" them together.

The BACK PIECE has labels showing you where to glue the accent pieces in place. Just use the words to match things up like a puzzle.

PRO TIP!

You can slide the back piece over your hand like a mitten to make gluing easier!

THE HELMET:

Cut out the gray border around the helmet. And create creases on the dashed lines. THEN add glue to the dotted areas and curl down the sides and the front/back to glue the helmet in shape!
